*“He has told you, O man, what is good;
And what does the Lord require of you
But to do justice, to love kindness And
to walk humbly with your God?”*

Micah 6: 8

House of Prayer Tuesdays at 7:00 pm

"Is it not proof that the Holy Spirit is to a great extent a stranger in the Church, when prayer, for which God has made such provisions, is regarded as a task and a burden? And doesn't this teach us to seek for the deep root of prayerlessness in our ignorance of, and disobedience to, the divine Instructor whom the Father has commissioned to teach us to pray?"

Andrew Murray

- * Pray for the Mitra Family as they grieve the loss of their father Subhash.
- * Pray for Maretta Mitra she has been diagnosed with Epstein-Barr virus. Pray for the doctor's wisdom as they care for her.
- * Loreen (from Evansburg) is asking us to pray for a good job, financially and time wise. She is a single mom and needs a job that lets her have time for her daughter as well.
- * Pray for Elena's friend Shirley's daughter Charleen. She is having heart problems, she is 14 years old.
- * Pray for Sandy P & Lynda Y's friend Sue. Her husband David had a heart attack and while in hospital they discovered a mass on his kidney. Pray that Sandy & Lynda would be able to minister to her. Pray that the Holy Spirit will give her spiritual softening.
- * Pray for Viena (sister of Wilma Gray) she has cancer.
- * Continue to pray for Loreen Airey and the Bruce family as they work through the grieving process. Vernon's funeral will be held on May 7th at 11:00 am at the Alliance Church in Devon.
- * Continue to pray for Brenda Carruthers as she helps her father.
- * Pray for our sister church at Evansburg. Pray that God would encourage the church family as they seek his leading.
- * Continue to pray for Angie Thomas' and Jean Clayton's aunt, Ila Bachmeier.
- * Pray for Sandra H's dad. He has cataract surgery on May 9.
- * Continue to pray for George and Lynette Ruptash.
- * Continue to pray for Alice (Ellen Breitkreuz mom) She has broken her hip bone. She will have surgery on Sunday (today). Pray that she will have a bed - that she won't get any infection and surgery will be successful so she can start radiation for her cancer.
- * Pray for the Holy Spirit to cause our body to have a deep desire and urgency to pray.
