Children's bulletins (age 3-6 or 7-12) are available for the children to work in.

Men's Night

To the brothers of our community, are you interested in a Bible Study or a more informal gathering? Are you interested in a weekly or monthly gathering? Come share your ideas at an informal gathering where we can share our ideas. Join us Friday, April 16th at 8 pm for great fellowship, snacks and beverages. The location is still to be determined. Prayer Needs

March 21 – March 27, 2010

"The Scriptures and experience are intended to encourage us to pray, but many Christians feel a vague reluctance to pray. This reluctance may be rooted in uncertainties in their minds. Uncertainty is the enemy of faith. It is better to face our questions squarely, to accept the verdict of Scripture, and to move forward into the kind of prayer that pleases God and accomplishes His will." – T.W. Hunt

- Pray for Pastor Wayne Key.
- Pray for Jennifer Hebert as she recovers from her surgery on Monday.
- Pray for Olga Banman and her family as they grieve Bert's passing. He passed away on Wednesday, March 10th.
- Geri's nephew, Barry, whose wife Logan, who is handicapped, was in a major car accident with their two sons, Caleb and Jonathan. Please pray that they are not hurt badly, that they will be able to work out transportation, and that she will be able to get a van modified asap.
- Pray for Christopher Behnke, he has an abscess tooth. Pray for quick healing.
- Pray for Marybelle, she has experienced some mini strokes. Pray that she can implement her doctors recommendations.
- Pray for Chile and Haiti and all of the relief efforts, physical and spiritual.
- Pray for Daisy Milne, she had hip surgery and is now at home. Pray for her healing and recovery.
- Also pray for Shelley Harper's mom, Irene, she will have a surgery on her ear in April and she is concerned about how this will affect her husband, Joe, who has Alzheimer's.
- Pray for Corey's mom, Linda, as she continues to battle cancer. Pray that God will bless her with healing, time and relief from pain.
- Praise the Lord! Alice's bone scan came back and there are no changes in the scan except for showing a slight improvement! Continue to pray for Alice, she keeps losing weight and that God will make the cancer slow, stop and disappear.
- Continue to pray for Eric (Lyndon's Dad) as he is still in the hospital, and his condition is unchanged. Pray for a positive attitude and wisdom for the family as decisions will have to be made.
- Pray for a Pastor who is incarcerated in a black flag country. Pray for his safety and that he will be set free.
